**(1) First and Final Account and Report of Personal Representative, Petition for Settlement,
(2) for Waiver of Commissions and Attorneys' Fees, and (3) for Final Distribution**

DOD: 10-22-11		<p>WILL SCOTT, JR., Spouse and Successor Administrator with Limited IAEA without bond, is Petitioner.</p> <p>Account period: 10-22-11 through 10-8-14</p> <p>Petitioner states the decedent's daughter Michelle Scott was appointed Administrator with Will Annexed on 2-2-12 Full IAEA with bond of \$165,000.00. On 7-17-12, the Court ordered bond reduced to \$10,000.00 with excess funds to be deposited into a blocked account; however, Letters never issued. Pursuant to Stipulation for Settlement, Michelle Scott resigned as Administrator and Will Scott, Jr., was appointed as Successor Administrator.</p> <p>Petitioner states Creditor's Claims in the total amount of \$9,142.57 were paid pursuant to negotiations with the creditors from the Quinlan, Kershaw & Fanucchi, LLP Client Trust Account, which funds on deposit were the result of an eminent domain action on the joint tenancy property held by the decedent and her spouse.</p> <p>Petitioner states all debts have been paid and the estate is in a condition to close. No Inventory and Appraisal was filed because after a lengthy investigation and discovery it was determined that all property of the decedent was held in joint tenancy.</p> <p>Petitioner waives compensation. Pursuant to Stipulation filed 26-13, Petitioner is the sole heir, and any later discovered property should be distributed to Petitioner.</p> <p>Petitioner requests this Court to order:</p> <ol style="list-style-type: none"> 1. That the administration of this estate be brought to a close; 2. That the First and Final Account be settled, allowed and approved as filed; 3. That all acts and proceedings of Petitioner as personal representative as set forth in this petition be confirmed and approved; 4. That Quinlan, Kershaw & Fanucchi, LLP, has waived its right to statutory attorney fees; 5. That Petitioner has waived his right to a statutory commission for his services as the personal representative; 6. That any other property of the decedent or the estate not now known or discovered be made to the person entitled to it, as set forth in the petition; and 7. For further orders as the Court considers proper. 	<p>NEEDS/PROBLEMS/COMMENTS:</p> <ol style="list-style-type: none"> 1. The Court may require notice to the Judgment Creditor and his or her attorney pursuant to Judgment Lien filed 9-19-13 in this matter. 2. The Court may require clarification regarding why the funds in the attorney client trust account are not considered an asset of the decedent's estate. If funds were received after the decedent's death from community property, regardless of whether it was held in joint tenancy, wouldn't the decedent's portion of such funds be considered an estate asset? Petitioner does not state what the total amount held in the trust account was, just that funds were received from this eminent domain action and that the settlement payment to Michelle and Rodney and the creditors' claims were paid from these funds. 3. Need Order.

		Petitioners alleges that the mother passed away leaving the children without an adult to care for them. Their father lives in Kansas and has not had much of a relationship with the children, but wants them to come live with him now that their mother has passed away. The children do not want to go live with their father. The father has a history of incarceration and drug abuse.		
		Court Investigator Charlotte Bien filed a report on 11/20/14. The report states that the children's father has been absent from their lives for the past 10 years. He currently lives in Kansas and has not visited the minors in the past 10 years. The minors indicate that he is like a stranger to them. Pursuant to Family Code § 3041, it appears that parental custody would be detrimental to the minors because Mr. Regalado has not formed a father/child bond with either child. In addition, "detriment to child" includes the harm of removal from a stable placement of a child with a person who has assumed, on a day-to-day basis, the role of his or her parent, fulfilling the child's needs. The petitioners have filled that role as parents to the minors and were bonded with the minors before their mother's death. Pursuant to Probate Code § 1514(e)(2), the minors are of a sufficient age and maturity to express a preference in the matter and have voiced a strong preference to remain in the care of the Petitioners. It is therefore recommended that the petition be GRANTED.

She was admitted to Community Behavioral Health Center from 10-20-14 to 10-27-14. Her mental health is regressing. Several reports have been made to police and CPS due to child endangerment and not providing them with their basic needs. CPS advised Petitioner to file for guardianship immediately. The two older children are currently with Petitioner because they refused to go with their mother; however, the mother took the two younger boys back when she was released from Behavioral Health. The mother keeps coming to take the older kids and threatens Petitioner. Petitioner states the mother will not allow the two younger boys to eat. She says all food is rotten or poisonous and throws it away. Petitioner states the mother is putting the children in harm's way.
